

The Court finds that this matter should be resolved on the merits and Plaintiff's failure to file a complete Response to Defendants' Motions for Summary Judgment was not intended to delay the proceedings or prejudice the Defendants. Therefore, Plaintiff is ordered to file a corrected Response to Defendants' Motions for Summary Judgment on or before June 7, 2019. The Court will allow Plaintiff to file this corrected Response under seal, like his previous Response, based upon prior Order of the Court. Additionally, Defendants' Reply briefs will be due based upon the date generated by CM/ECF when the Response is filed.

The Clerk is directed to send copies of this Order to counsel for the parties, including but not limited to moving counsel, and to the Honorable Robert J. Conrad, Jr.
